

## Embark On An Artistic Adventure With Bill Bensley At The Four Seasons Hotel Bangkok

This spring, immerse yourself in an enchanting world of art and storytelling at the Four Seasons Hotel Bangkok at Chao Phraya River. Famed artist Bill Bensley invites you to join him and the Faroe Knitting Club on a captivating journey across the globe through his vibrant new exhibit, "The Faroese Chronicle," debuting at the ART Space by MOCA BANGKOK on April 21st

and running until the end of July 2023.

Following the success of his sold-out show "LOVE CAMP EXPLORE DREAMS" last year, Bensley has spent a solid year creating this exquisite new collection, which offers a whimsical yet profound exploration of the Faroe Islands and their rich, untold history. The artist's 15-year love affair with the island and its people is evident in every

stroke of his brush, capturing the heart and soul of this remote Arctic wilderness and its close-knit society.

As you wander through the exhibit, prepare to be mesmerized by Bensley's signature humor, bold colors, and unique storytelling style. His artwork is not only a visual delight but also a testament to the open-mindedness, curiosity, and celebratory spirit of the

Faroese people. Bensley masterfully weaves this obscure and fascinating chronicle, sure to enthrall both art critics and novices alike.

Bensley's creative genius extends beyond the canvas – as a passionate philanthropist and conservationist, he is devoted to making a difference in the world. The proceeds from the sale of the artworks, ranging from USD 6,000 to 8,500, will go directly to the Shinta Mani Foundation outreach projects in Cambodia. The funds raised will support education, healthcare, conservation, and direct assistance initiatives, such as scholarships, clean water provi-

sion, micro-loans, and wildlife protection partnerships with NGO Wildlife Alliance.

The Faroese Chronicle exhibition features 38 stunning pieces, available for viewing and purchase both in person and through a digital catalog. Each artwork is thoughtfully mounted on collapsible frames for easy transport or shipping.

On May 20, 2023, Bensley will host an exclusive Behind the Art talk at The Library at The Lounge at Four Seasons Hotel Bangkok, followed by a Painting Master Class. Stay tuned for additional details and timings on @FSBangkok's Instagram.
